WHAT IS BIRDIES?

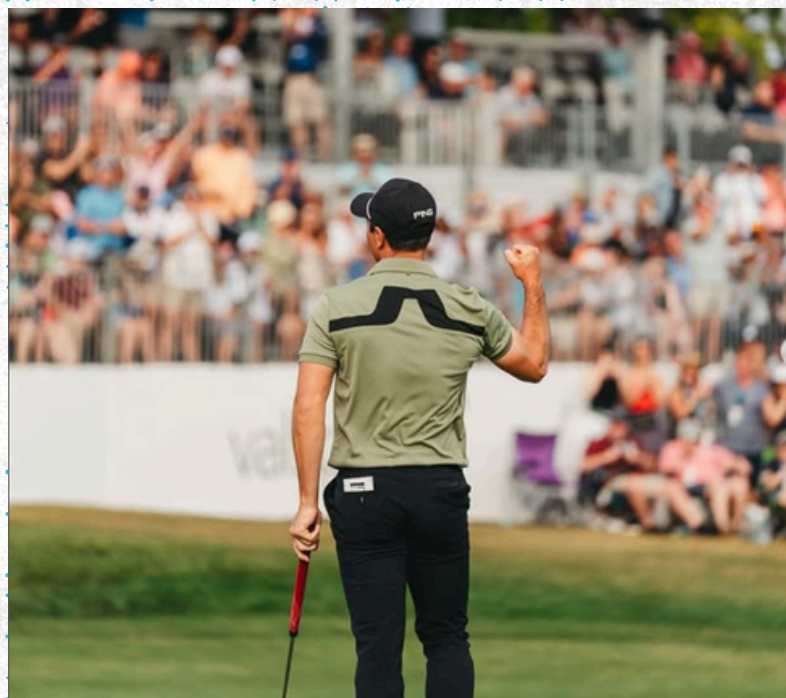

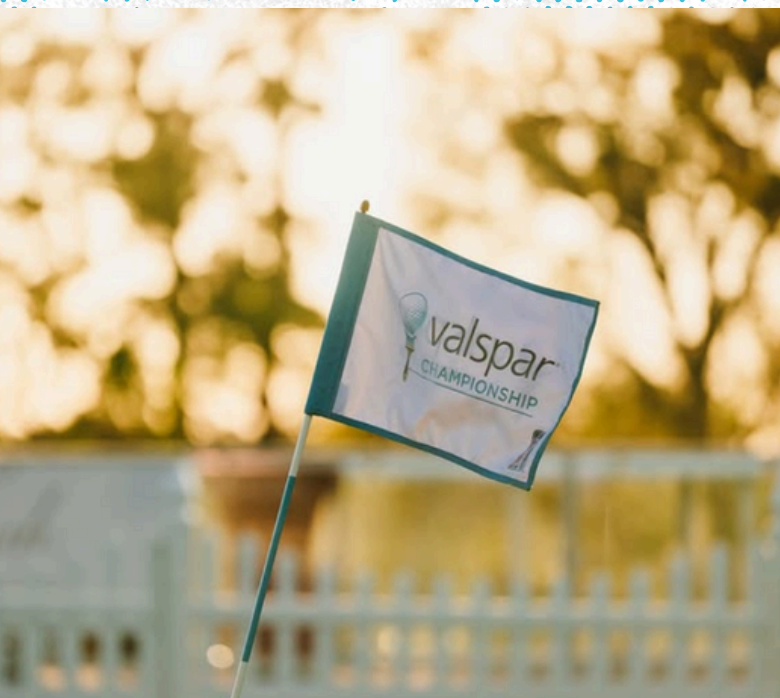

Birdies for Tampa Bay Charities is a fundraising matching program utilizing the excitement around the Valspar Championship, an official PGA TOUR® event, to assist Tampa Bay area non-profits in raising awareness and funds to support their missions!

Using the enthusiasm around a professional golf tournament, Birdies works to generate grassroots funding for participating non-profit organizations.

DID YOU KNOW?

Through the Birdies program, non-profits receive 100% of the amount gifted by donors **and** a 15% matching contribution courtesy of Copperhead Charities.
